

## REGISTER NOW FOR UPCOMING EDUCATIONAL EVENTS

Happy New Year to all

The FPNANS executive has been working together to develop educational events during the pandemic and we have some exciting educational opportunities coming up via zoom.

They will be 1 hr sessions with a 15 minute period to ask questions. Each month will be a different health care professional speaking. The schedule is below.

Please register for **each monthly event** that you will be attending. You can email me at [shibob@ns.sympatico.ca](mailto:shibob@ns.sympatico.ca) (Shirley Mack) to register for each session that you would like to attend

If you want to attend all- just let me know and I will put your name on the list for each month.

Please register by 72 hrs prior to the session. I will send along the zoom link at that time. We ask that everyone have their VIDEO off when you log in.
